# 18<sup>th</sup> Annual Preparedness Practicum 2020

February 25, 2020

Earle Brown Heritage Center • Brooklyn Center, MN

## COURSE GOAL

---

Enhance and improve the preparedness of Minnesota hospitals and healthcare facilities by providing education from lessons learned to providers and other members of the preparedness team. The educational experience will include review of didactic information relevant to the planning and care practices of all involved in preparedness planning.

## OVERALL LEARNING OBJECTIVES

---

*Following this activity, participants should be able to:*

- Apply lessons learned in communication and multi-agency coordination during recent disasters and incidents.
- Identify critical aspects of staff and patient protection during disaster/special incident response.
- Integrate best practices and lessons learned from recent incidents and exercises into facility response planning.

## CONTINUING EDUCATION CREDIT

---

Those who participate in this activity may submit their certificate of attendance to their appropriate accrediting organizations or state boards for consideration of credit. Participants are responsible for determining whether this activity meets the requirements for acceptable continuing education.

## DISCLAIMER
