Physicians, Nurses, EMS Personnel, Public Safety, Local and State Health Departments, Clinics and Long-Term Care Facilities, Behavioral Health Personnel, Chaplains, Emergency Managers, Homeland Security Emergency Management

Sponsored by:
Metro Health & Medical Preparedness Coalition

20th Annual Preparedness Practicum 2022

February 23, 2022

COURSE GOAL

Enhance and improve the preparedness of Minnesota hospitals and healthcare facilities by providing education from lessons learned to providers and other members of the preparedness team. The educational experience will include review of didactic information relevant to the planning and care practices of all involved in preparedness planning.

OVERALL LEARNING OBJECTIVES

Following this activity, participants should be able to:

- Apply lessons learned in communication and multi-agency coordination during recent disasters and incidents.
- Identify critical aspects of staff and patient protection during disaster/special incident response.
- Integrate best practices and lessons learned from recent incidents and exercises into facility response planning.

CONTINUING EDUCATION CREDIT

Those who participate in this activity may submit their certificate of attendance to their appropriate accrediting organizations or state boards for consideration of credit. Participants are responsible for determining whether this activity meets the requirements for acceptable continuing education.

DISCLAIMER

Funding for this conference was made possible (in part) by the Assistant Secretary for Preparedness and Response (ASPR). The views expressed in written materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organization imply endorsement by the U.S. Government.
