

# Ready for the Rare: HCID Skills for EMS & Hospital Response

## Participation & Contact Info

### Who should Attend?

This content is tailored for healthcare providers, especially ED caregivers, EMS personnel, and Infection Preventionists who want to enhance their knowledge of HCID identification, containment, and response strategies.

### How is the Education Offered?

Delivered as a full day in-person session including a blend of interactive lecture and hand's-on practice to reinforce key concepts and procedures. There is no registration cost. Lunch will be provided.

### Are there any CEUs offered?

Yes, participants will be eligible to receive ANCC CEUs or EMS Contact Hours for the session.

### How do I Register?

Register here: <https://Read-for-the-rare-HCID-Skills.eventbrite.com>

Registration closes on April 10, 2026. Space is limited to 25 per session.

### Questions?

Email Sara Thul, Outreach Specialist at:

Sara.Thul@fairview.org or Chris Chell, Regional Healthcare Preparedness Coordinator (RHPC) at Christine.chell@hcmcd.org
